

RESEARCH SUPPORT AND TRAINING OFFER FOR SOCIAL SCIENTISTS Activities of CESSDA

CESSDA's main goal is to **increase the reuse of data** in the Social Science domain.

It is part of CESSDA's mission to **facilitate teaching and learning in the social sciences**. CESSDA has a **Training Working Group** that is responsible for supporting continuous learning and training of its Service Provider staff and the social science user community.

Material prepared and workshops delivered will help you answer important questions.

DATA LIFE CYCLE

I. Plan

- . What is data management and why do you need DMP?

II. Organise and Document

- . How should you organise your data and metadata in order for it to be easy for others to find and use?

III. Process

- . Do I have the final version of my data (versioning)? Will I and others be able to use it in the future (interoperability)?

IV. Store

- . How and where will the data be stored during the project (backup, security)?

V. Protect

- . How do you comply with data protection laws (GDPR)? What about ethical duties to participants?

VI. Publish

- . Do you want to make your data FAIR (Findable, Accessible, Interoperable and Reusable)? Do you want others to acknowledge your work and cite you?

VII. Discover

- . Did you check if data for your research already exist? Search data repositories (CESSDA Data Catalogue)! Evaluate quality!?
